

FLOW TRAIL & SKILL ZONE

JEŠTĚD

OPERATING RULES

This operating rule for the Flow Trail & Skill Zone (hereinafter referred to as the park) is binding for all users of the park and defines the rights and responsibilities of all park users.

TMR Ještěd a.s., Company ID: 06080413, with its registered office at Jablonecká 41/27, 460 05 Liberec, is the operator of the Flow Trail & Skill Zone at the Skiareál Ještěd resort. This operating rule regulates the operation of cycling trails and establishes the duties of the operator and users to ensure the maximum safety of the operation.

1. By entering the park, the visitor agrees to comply with the operating rules.
2. The use of the park is allowed only on bikes designed for it (BMX or MTB) in good technical condition.
3. Users must assess their own physical and health condition and their abilities when using the obstacles.
4. Users are required to wear protective helmets. Knee, elbow, and wrist protectors are also recommended.
5. Users are required to use the park solely for its intended purpose.
6. Entering and using the park is done at the user's own risk.
7. The operator is not responsible for any injuries in the park.
8. Persons under 12 years of age are allowed to use the park or any part of it only when accompanied by an adult, who assumes full responsibility for their use of the park.
9. Every visitor must behave considerately so that they do not cause injury or damage to themselves, the operator, or third parties, and is fully responsible for any damage caused by their actions in the park.
10. While riding in the park, users must stay on the trail (flow trail, skill zone) they entered. Crossing between different trails is prohibited for the safety of other park users.
11. If any faults are found in the obstacles, or any other issues arise in the park, visitors must immediately report them to the park operator.
12. The use of the park is strictly prohibited for persons under the influence of alcohol or other intoxicating substances.
13. All users must keep the park clean and orderly. Glass bottles and other items that may cause damage to the park's property or third-party property are strictly prohibited in the park.
14. All users must refrain from disturbing other users, particularly with excessive noise or inappropriate behavior.
15. Pets are not allowed in the park, and motor vehicles and electric bikes are prohibited. The operator is not responsible for any belongings left in the park.

16. The park must not be used during bad weather (rain, snow) or immediately after bad weather until the park is no longer wet or otherwise disturbed and is restored to its operational condition.
17. Users are required to follow all instructions from the park manager or any other authorized personnel.
18. The park is monitored.
19. In the case of a violation of this operating rule, the user will be expelled from the park by the park manager or any other person authorized by the park owner. This does not affect the right to compensation for damage caused to the owner or third parties when using the park in violation of these operating rules. Exceptions to this operating rule may be allowed in justified cases by the park owner for organized and pre-approved events, provided that the organizer takes responsibility for the use of the park.
